

RESEARCH GUIDE

canadian words & phrases judicially defined

Research into words and phrases judicially defined identifies the judicial definition or interpretation of a word or phrase by the courts. The citation of the case is provided and, usually, the relevant section from the decision is quoted.

electronic sources

The subscription services of LawSource, LexisNexis *Quicklaw*, and Maritime Law Book provide a searchable method to find words and phrases judicially considered.

In LawSource, access the words and phrases search by selecting [Words & Phrases] on the home page. Enter your search term(s) into the [Word/Phrase] search box. You can limit your search results by jurisdiction and by timeframe.

Searchable words and phrases since 2000 are available in LexisNexis *Quicklaw's* [Canadian Legal Words and Phrases] source. The source also includes selected case law definitions from the United Kingdom and the Commonwealth dating back to the 15th century, and a collection of legal maxims, Latin phrases and terms defined in Canadian federal and provincial statutes, rules and regulations. Search the word or phrase in the [Defined Term] box. Results can be refined by jurisdiction. Alternatively, you can browse for a specific defined word or phrase.

Words and phrases from Maritime Law Book headnotes are searchable by selecting [Judicially Defined Words] as the database search. Enter words or phrases, select the databases to include, search and link to the decision.
