"Administrative law"

Digests of Canadian cases are organized under this classification in vol. 1 in print and are available electronically through LawSource.

CanLII (Canadian Legal Information Institute)

<http://www.canlii.org>

CanLII provides searchable full-text access to Canadian case law. The scope of coverage varies by jurisdiction and court. Boolean operators, proximity connectors, phrases and date restrictions can be incorporated into your query. Using the [Advanced Search] feature, you can select one or more jurisdictions to be searched, limit your search to appellate decisions, and restrict your search by type of tribunal. You can also use CanLII to retrieve cases by citation or name.

LawSource, LexisNexis *Quicklaw* and Maritime Law Book provide electronic subject search access to legislation, case law and topical material. LexisNexis *Quicklaw* groups topical information under the source [Administrative Law Cases - Topical]. Maritime Law Book classifies case law under the topical heading "Administrative law".

### encyclopedia

*Canadian encyclopedic digest (Western)*. 3<sup>rd</sup> ed. Carswell, 1979-

Title 3 : "Administrative law"

Discussion of this area of law with annotations to legislation and cases is located in vol. 1 in print and is available electronically through LawSource. This title was last updated in 1998.
